From the desk of Sam King, CCPU President:

## **Florida State Association of Parliamentarians Annual Meeting - May 19, 2018**

CCPU had five members (six if we count Karen Price) attend the FSAP Annual meeting in Brandon, Florida. The members that were able to attend were: Luceal Curry, Mary Giddens, Joyce Gleason, Barbara Holland, and Sam King.

### ***Kudos to Luceal!***

Luceal had the best idea ever, as she moved to have the FSAP Annual Reports posted at the FSAP website.

Because her motion passed, all FSAP members will be able to view the reports that were passed out at the Annual Meeting. To view the information at the website you must go to: <http://www.flparliamentarian.com>, the Membership tab, drop down the selections, and pick Member Portal.

*If you don't know the FSAP password, please email me.*

Please take time to review the reports of the State Association and the Florida Units. CCPU's report is posted and the Unit has been very active this year. This is what you will see when you enter the portal:

### **FSAP ANNUAL REPORTS FOR 2017-2018 [2018 Annual Reports of Officers Committees Units](#)**

This report booklet provides you with the latest information on officer, committee, and unit activities from May 2017 through April 2018.

### **NAP Town Hall Meeting (webinar) on Tuesday, May 29, 2018**

The question listed below was polled during the Town Hall Meeting. If you missed this webinar there is good news in that the NAP website has a note that the virtual meeting will soon be posted at the website. If you are thinking about becoming a RP or PRP, this webinar has some information that you may want to hear for yourself regarding the upcoming changes in the testing format. The *Criteria for Credentialing V2* is attached in this email.

\* To be 'grandfathered' from the current credentialing, two parts of the current test must be passed before the new credentialing format begins. The two passed parts must be from parts 2-5 and the new format will begin no earlier than after the National Training Conference (September) and more likely in January of 2019.
