

Robert Said What?

July 1, 2018

From the desk of Sam King, CCPU President:

Florida State Association of Parliamentarians Annual May Meeting

CCPU had 6 +1 members attend the Annual May meeting, when all CCPU attendees were counted correctly!

It appears that I did not count all the members that attended the May meeting in Brandon. CCPU had a total of 6 members as Dorothy Demarest, PRP, was forgotten in the June 1st RSWhat? It was bad enough that no pictures were taken of the Unit members that attended, but then Dorothy was left out of the list and we had lunch together.

CCPU has always supported and attended the state meetings and this meeting was no different with the following members in attendance: Luceal Curry, Dorothy Demarest, Mary Giddens, Joyce Gleason, Barbara Holland, Sam King and Karen Price, who is also a member of the Sarasota Unit.

Great News!

Joyce Gleason and Christine Sutherland have sat for 2 parts and passed 2 parts of the RP Exam. Their studies have paid off!

This spring, after the Practical classes ended, the Registered Parliamentarian (RP) class started. Joyce started a study group for seven students, with one participant calling in, to begin the process for each of them to pass the RP test. The goal is to have

the students pass all parts of the current RP exam within the required nine month window. Those that pass two of the multiple choice parts (parts 2-5) before the end of the year will be able to continue to test under the current testing system.

The Second - “5th Tuesday Town Hall Meeting” for NAP members held on May 29th

NAP has started hosting webinars on the last Tuesday of months with five Tuesdays. The second Town Hall meeting discussed the membership structure and the anticipated changes to the credentialing process. There is no problem if you missed this interesting discussion as it is now available at the NAP website. It is easier to go directly to the page by using this link: <http://www.parliamentarians.org/2nd-Town-Hall-Wrap>

If you would rather just go directly to YouTube site to listen to the webinar, the actual audio from the webinar is accessible from a link at the bottom of the page of the article or by using this link:
